

Application For Credit Towards a NaSA Programme Form 2017

Version 1.0

What are Assessment of Prior Learning, Cross Crediting and Credit Transfer?

| | |
|-------------------------------------|---|
| Assessment of Prior Learning | Assessment of Prior Learning (APL) assesses informal training you received and determines whether you meet the required standards for recognition of that learning. |
| Credit Transfer | Credit Transfer means you would like formal (NZQA-Approved) training credited towards a NaSA programme. |
| Cross Crediting | Cross Crediting means you are a former NaSA student and would like your previous study with us credited towards another NaSA programme. |

See the Enrolment section on our Web site for further information, and please read the information there before applying for credit towards one of our programmes. **If you aren't sure, contact us.**

When Do I Apply for Credit Towards a NaSA Programme?

You must apply for Assessment of Prior Learning, Credit Transfer or Cross Crediting **when you first apply for the programme** (submit the Application Form). You cannot apply at a later stage.
